

**FOUR MAN SCRAMBLE:** Foursome will select the best shot on each series of shots, including putts. Total the hole scores. **Handicaps will not be used.** If there are only three golfers on the team each player will take an extra shot on a rotating basis throughout the round. In other words, on hole one player A hits an extra drive, player B hits an extra second shot, player C hits an extra third shot and player A hits an extra 4th shot. On hole 2 player B will start with an extra drive and so on.. You must use each player's drive 2 or 3 times during the round which will be announced at the beginning of the round or posted on the scorecard.
